Some completed 2020 Quilt tops are shown below. If you want to have your piece’s photo added – and, of course I LOVE seeing your work/success: Just send a “large-size” image (as large as your camera takes – please do not send the image “reduced size for internet” ... just send the largest size you have taken: Send to quiltalong2020 at bernina world of sewing dotcom. As I mentioned in the above comment, I am considering putting “selected” blocks here. Of course, I will keep the sender “anonymous”. We see where this all goes as the QuiltAlong year moves along.
